

Societal Impact of Pain (SIP) 2012 May 29 - 31, Copenhagen, Denmark

MARKETPLACE INFORMATION - 30 -31 May, 2012

Objective

The SIP Marketplace is an informal area located in the *Bella Sky Congress Hall Foyer* for our SIP partners and stakeholders to present stakeholder materials and to get in contact with other participants. **No commercial promotion or products may be displayed during the Marketplace.** All items that are displayed must be topics related to the Societal Impact of Pain.

Marketplace Hours

The marketplace will open on Wednesday, 30 May at 11:00 am. During the following two days until 31 May 16 pm, the materials may be exhibited.

Marketplace Set-Up Hours

Wednesday, 30 May from 09:00 onwards. Please note that there is no need to arrive the night before as the Marketplace will only open at 11:00 on Wednesday. As this is an informal event, you are welcome to arrive later as well. In case you would like to present materials, but will not participate at SIP, you may send your materials prior to the conference (see below: "Transport of material, Option B").

Directory Listing

Please email Tisha Lejeune (tisha@r-events.com) to confirm how you want the name of your organization to be listed in the directory. Tables will be given first come, first serve. You will be supplied with a table number about three weeks prior to the event.

Included with your Marketplace Participation

Table & tablecloth. Please note that besides space and tables, no electricity or further equipment will be provided.

Transport of materials

Option A): You will bring materials on your own.

Option B): You would like to send the materials prior to the event. In this case: All deliveries for the marketplace must be sent to:

The SIP 2012 symposium is hosted by the Danish Association for Chronic Pain Patients (FAKS). The scientific framework of SIP 2012 is under the responsibility of the European Federation of IASP® Chapters (EFIC®). The pharmaceutical company Grünenthal GmbH is responsible for funding and non-financial support (e.g. logistical support). The scientific aims of the SIP 2012 symposium have been endorsed by a large number of pain advocacy and scientific organisations. The Ethical Committee for the Pharmaceutical Industry in Denmark (ENLI) has been notified of the Symposium. The SIP 2012 Symposium has been pre-approved by ENLI with the current format and content.
